# Equipment/Supplies Categories

## *Electronic Professional Equipment/Supplies Firms' Directory*

**www.vaeng.com**

Below are the Equipment/Supplies categories from which you may select. Circle the number of the category that best describes the equipment/supplies offered by your firm. With your Listing, you may make *as many selections as are necessary* to cover your firm's full range of offerings. Your firm will be listed in each category selected. You *MUST RETURN* this sheet with your Electronic Listing Order Form.

If you feel there are important equipment/supplies categories which are not contained in the current choices, please print the desired category in the blank space at the end of the list, as it may be possible to create that category; *however, creation of additional categories is not guaranteed!*

## **Virginia's Engineering Address on the Internet**

### ***Exposure to the marketplace. . .***

That's what **THE VIRGINIA ENGINEER** does best!

There is no question that nobody reaches the engineering community in Virginia better. Your firm's listing in the **Electronic Professional Equipment/Supplies Firms' Directory** provides exposure to thousands of existing and potential clients. In essence, you get an additional salesperson, 24-hours a day, 7 days a week! Averaging over 150 visits per day, **www.vaeng.com** really is where motivated internet searchers, not only in Virginia but also regional, national, and international groups, go for information about products and services available in Virginia.

**Want more exposure for your site?** Provide an opportunity for others to learn all about your firm's capabilities, projects, and services for just pennies per day.

**YES**, I want more traffic at my site. Please set up a hot link to:

http://www. \_\_\_\_\_

I understand the link is provided on a yearly basis for \$25 and can be reassigned without charge in the event there is a change in the firm's URL.
