

Complete Listing Order Form

Electronic Directory

Consulting Engineering Services in Virginia

In an Electronic Listing in the Consulting Firms' Directory at www.vaeng.com, information about your firm will be searchable (1) in the Alphabetical section; (2) in the Alphabetical by City section(s), and (3) in as many specialty listings in the Areas of Specialization section as necessary. An Electronic Listing also enables you to identify principals and/or key personnel and to explain in detail the services you can provide. Additionally, optional use of your firm's logo plus links to existing web sites are available.

Instructions:

Please type or print all information. Show clearly all punctuation, spacing between words, capitalizations, etc. Underline the word which determines the letter of the alphabet under which you wish your listing to appear. For example, if your (firm) name is John F. Doe, P.C., and you underline John, then your listing will appear in the "J" section; if you underline Doe, then your listing will appear in the "D" section.

Areas of Specialization

Electronic Consulting Firms' Directory

www.vaeng.com

Below are the Areas of Specialization from which you may select. Circle the number of every Area of Specialization that applies to the services offered by your firm. With your Complete Listing, you may make *as many selections as are necessary* to cover your firm's full range of specialties. Your firm will be listed in each Area of Specialization selected. You **MUST RETURN** this sheet with your Electronic Listing Order Form.

If you feel that none of these areas properly describes an Area of Specialization which you wish to use, please print the desired area in the blank space at the end of the list, as it may be possible to create that category; *however, creation of additional categories is not guaranteed!*

Virginia's Engineering Address on the Internet

Exposure to the marketplace. . .

That's what **THE VIRGINIA ENGINEER** does best!

There is no question that nobody reaches the engineering community in Virginia better. Your firm's listing in the

Electronic Consulting Firms' Directory provides exposure to thousands of existing and potential clients. In

essence, you get an additional salesperson, 24-hours a day, 7 days a week! Averaging over 150 visits per day,

www.vaeng.com really is where the engineering community, not only in Virginia but also regional, national, and

international groups, goes for information about engineering services available in Virginia.

Want more exposure for your site? Provide an opportunity for others to learn all about your firm's capabilities, projects, and services for just pennies per day.

YES, I want more traffic at my site. Please set up a hot link to:

http://www. _____

I understand the link is provided on a yearly basis for \$25 and can be reassigned without charge in the event there is a change in the firm's URL.
